

The following suggestions are suitable for our Nursery aged children for you to explore and enjoy together:

<https://abcdoes.com/> - a blog of activity ideas for under 5's.

<https://hungrylittleminds.campaign.gov.uk/> - activity ideas and suggestions provided in age related categories.

<https://literacytrust.org.uk/family-zone/> - activity ideas and suggestions provided in age related categories.

<https://www.bbc.co.uk/cbeebies/games/numberblocks-make-and-play?collection=fun-activities-for-toddlers-and-preschoolers> - an interactive screen game to help support number recognition and one to one correspondence.

<https://www.topmarks.co.uk/Search.aspx?AgeGroup=1> - a website where you can search for age related interactive maths activities.

<https://www.twinkl.co.uk/> - age related interactive activities as well as activities which can be downloaded and printed off to complete.

<https://www.gonoodle.com/> - videos of dance and movement activities to copy.

<https://www.cosmickids.com/> - varying length yoga videos linked to different topics for children to follow.

<https://singinghands.co.uk/> - links to videos of stories and songs being read alongside Makaton signs.

<https://www.woodlandtrust.org.uk/blog/2020/03/nature-detectives/> - activity ideas for nature lovers.

Do you recognise some numbers around your home or garden? Can you count out the same amount of objects?

Can you collect some items around your home and sort them by colour or size?

Read your favourite story with an adult, can you draw a picture of your favourite character?

Can you perform some Nursery rhymes or songs you have learnt in nursery for an adult?

Can you make a collage from things you have collected when out on a walk?
