

Mathematics

In Maths, Year 6 will be exploring number and place value and will compare, order and round numbers up to ten million. We will also develop our fluency, problem solving and reasoning skills within the four operations and challenge our learning even further!

Britain, Bombs and the Blitz Year 6 - Autumn 1

English

In English, we will focus on a range of text types to support our learning. We will begin by writing to persuade others to take up a new sport. We will also explore writing a character flaw story focusing on a moral message. Our class text is Letters from the lighthouse.

Computing

We will learn about micro:bits and study a range of toys using inputs and outputs. We will use coding to create a program to play music.

Science

Our science topic is 'classification'. We will explore how living things are classified and look at broad groups. We will focus on the characteristics based on similarities and differences of plants, animals including microorganisms.

PE

Our focus will be games and dance. In games we will develop our skills in Rugby and Football to combine our techniques in a game situation. In dance we will explore dances pre and during WW2 and create an interpretation.

History

Yr 6 will begin by delving into the causes of WWII. We will investigate the war's impact on Britain and countries around the world. We will use a range of sources to deduce information, focusing on propaganda and the social context.

Art

In art, our focus will be painting. We will develop our painting skills, combining line and colour to create original pieces that show a range of influences and styles – John Piper

PSHE

In PSHE, we will focus on health and wellbeing. We will be developing strategies for understanding, managing and controlling strong feelings and negative pressures. We will also learn about the cyclical nature of life and death. We will understand the need for empathy when peers are experiencing conflict.

RE

We will learn about Judaism and understand the practices and the importance of the home in Jewish life.

Music

This half term, we will learn to sing in harmony and hold a part in a round. Our main song is focused around 'Happy'
