

175TH ANNIVERSARY

STEP BACK IN TIME WITH

R DE C

This half term we are celebrating the anniversary of a school on the Richard de Clare site for 175 years.

The whole school have posed for a special aerial photo and are producing works of art to mark the occasion. During the week commencing June 17th, there will be a host of activities for our children to enjoy. Highlights include: on the Monday we will be hosting a special assembly for past staff and local dignitaries, enjoying a special street party lunch and having birthday parties too! On Tuesday, we have pupils from other schools visiting and will be recreating Victorian school photos in the same location in modern dress.

On Wednesday 19th June we would like every child to come dressed as a pupil from a decade in the school's history – a Victorian, an evacuee, a '70's child out of uniform in flares... anything goes!

The week will round off with a 175 minute Dance-a-Thon, (sponsor forms to follow) and the burying of a time capsule.

Year 5 are looking to interview past pupils; please contact the school office if you were a pupil at R de C and could be available.
